Good afternoon,

This week has been all about fruit! We had such a great time yesterday making our fruit smoothies. The smell in the classroom was divine and the colours included every colour of the rainbow. Some photos can be found in this week's school newsletter. On Wednesday we celebrated National Numeracy Day and had lots of fun dancing with Katya from Strictly and rapping with Harry Baker. Our homework will relate to this.

Curriculum:

Our focus in English this week has been Advertising. We have watched television adverts and discussed how they make an impact. We followed this with creating our own persuasive words and phrases. Next week we shall create a story board for our own advert.

In maths we finished the unit on money and I can confidently say everyone did exceptionally well in the end of unit assessment. Next week we are starting our unit on time, so if you have a watch please can you wear it to school on non- PE days.

Homework:

We would like all the children to enter the National Numeracy Day School Number Heroes Competition. I have sent the sheet home with the children.

Overview:

When you grow up, how will you use numbers in your life? Create a picture of you doing your dream job or hobby and tell us how it uses numbers. You can draw, paint, collage, use a computer or do any type of picture.

First prize: £1000 for school including books and games. Plus £50 gift voucher for the winner.

Also, please find time to go on Purple Mash using the Multiplication app to speed test how quickly they can answer 25 multiplication questions. Please set the timer and quantity etc. to suit your child and build up to all the tables and 5 second intervals. Please can you continue with spellings as I would like as many as possible to move onto the Year 5/6 spelling before the end of this school year. Thank you.
