## Spring 2 Newsletter #1

Welcome to Spring 2! We are officially half way through the school term. Thank you for supporting your children with their take care homework – they really impressed me with their creations. The children have got back in to the swing of things really quickly, despite a whole school change of timetable. Please remember that I am contactable via the school office if you need to speak to me about anything and I am also in the playground after school.

What have we been up to this week?

- Starting work on our story of fear and learning about openings, semi-colons and parenthesis
- Short division and perimeter of rectangles
- Turning our art work into a postage stamp
- Polar landscapes and climate change in Geography
- Dark and light in Music
- 

Reminders:

- PE is still on Thursday and Friday.
- Children should be reading regularly at home and writing this in their diaries (which they should bring to school everyday)

## Wednesday from next week

On Wednesday 28<sup>th</sup> February, UKS2 swimming will begin for children who are signed up for it. Children that are selected to go swimming will be missing art and computing, that will be taught to remaining children. Please let us know if you would like your child to receive the computing and art tasks that can be completed from home. These are the topics that will be studied:

- Art – Environmental art
- Computing - blogging

## Homework

- Spellings
- Maths – Short division
- English – Semi-colons
