

Year 3

Homework 24/6/22

Topic/English/art

Find out about unusual marine animals, such as the deep-sea angler fish, the gulper eel or the Greenland shark. Draw sketches of the animals that interest you and write a short paragraph to explain the adaptations that help them survive in a particular ocean or ocean zone.

Spellings

centre, certain, complete, consider, continue, decide, describe, different, difficult, early

This Week

In topic, we have been looking closely at sea creature art work that has been produced using a mixing of art techniques. We then have drawn using pen, pencil, felt tip and charcoal. The children are really enjoying this topic, as am I.

We have been exploring 2D and 3D shapes and their properties such as vertices and if they have right angles.

In English we are looking at the features of biographies and are researching Jacques Cousteau to then write a biography about him.

Notes

Hopefully we will see you at the Village Show at the weekend.

Friday nights treasure hunt has been cancelled.

Have a lovely weekend.

Miss Rundle
