

## Year 3 and 4 ~ Miss Smith ~ 2nd October 2020

We have had a great week in school, the children have been working very hard. Lots of children have had their name on the rainbow and received house points this week! Let's see if we can get even more next week.

### Our Topics this week

English : Instructional Texts, their features plus adverbs, contractions and 'a' or 'an'

Maths : Comparing and ordering numbers, number lines

Topic: Science - The Ring of Fire Music - Mamma Mia, ICT - Purple Mash

#### English

This week in English we have been working on writing instructions for how to clean an elephant. We worked really hard to ensure our instructions included adverbs, prepositions, imperative verbs and a wide range of conjunctions. The children did a great job and some read theirs out in assembly.

#### Maths

The children have worked hard in maths this week and have completed a range of challenges. A big well done to those children who chose to take extra challenges home to complete.

Thank you to everyone who is helping their child to learn their times tables at home. Nearly every child in the class moved on to the next times table this week.

In Science the children have been enjoying a variety of different investigations. Here are some photos from our recent Soil Investigation.

#### Homework

**You have one more week to complete this project.**

I would like the children to create a Take Care piece of work for our 'Rocks and Volcanoes' display. This could be a poster, fact file, model, powerpoint - the list of options is endless. This is your opportunity to be as creative as possible. When I have set tasks like this previously the work that has come in to school has been very impressive and I am sure I won't be disappointed this time either. **I have seen some super projects which have already come into school.**

#### PE Homework

Well done to all of those children who spent time throwing and catching at home. The winners of the mini competition today were; Emilie, Joe, Archie, Dougie, Niamh and Abi!

#### Concerns/Questions

If you or your child has any concerns please feel to contact me on my class email [smith34@st-peters.notts.sch.uk](mailto:smith34@st-peters.notts.sch.uk) Any urgent enquiries should be directed to the school office.

Have a great weekend!!

Take Care  
Miss Smith x
