

Year 3 and 4 ~ Miss Smith ~ 12th March 2021

Welcome back to School

It has been so nice to see all the children face to face this week. I really have missed having them in school and they have been a delight this week. Thank you so much for all the hard work you as parents have put in at home over the last couple of months, as a teacher and parent to two primary school aged children I know how tricky it has been to juggle everything and as your child's class teacher I truly appreciate your efforts.

We have had a wonderful week celebrating each other, World Book day and introducing our Topic.

World Book Day

We had a super day yesterday celebrating World Book Day, the children looked fantastic in their costumes! The children enjoyed listening to the Masked Reader stories the staff had created and we did a big 'Who's behind the mask?' reveal during our whole school 'Teams' celebration. In class the children shared their favourite stories with each other and wrote book recommendations for our class library.

Stars of the week

You are all stars this week! You have been amazing. You have settled back into school like you have never been away. You have made me proud to be your class teacher!

Homework

Times tables ~ Reading ~ Spellings
I will be checking these with the children next week to ensure they are on the correct book band and times table.
