

# Year 3 and 4 ~ Miss Smith ~ 14th May 2021

## Our Learning this week

English - Charlie and the Chocolate Factory

Maths - Y3 - Fractions, Y4 - Perimeter.

Topic - Scrumdiddlyumptious - Food - Fair Trade - Five Second Rule - Science Investigation

### The Five Second Rule

This week in science we have been thinking about the five second rule and thinking of ways to find out whether or not it is safe to eat food that has been on the floor for less than five seconds.

The children came up with some super ideas for investigating this question. They planned an experiment, making sure they made it a fair test and made predictions for what they thought would happen.

As you can see from the photos the children had a great time investigating. Hopefully, the children can tell you what they found out.

### Smoothie Making

On Monday as part of our Topic work in class, the children will be making smoothies. In school we will be providing the basic ingredients of yoghurt and juice but we are asking children to bring in their own fruit from home.

The children will be bringing home a design sheet today, so they can design their own smoothie at home and bring their chosen ingredients to school next week. The children will be making individual smoothies so will need to bring in their own fruit plus a suitable container to bring the smoothie home in.

### Homework

Times tables ~ Reading ~ Spellings

### Topic Project

I hope you are all enjoying baking at home and writing your own recipes for our class cook book. Just to clarify, these need to be handed in to school on Monday 7th June.

In addition to the recipe pages the children know they need to be reviewing the products we have been making at school.  
Have fun!

### Stars of the week

Writer of the week ~ Ava

Reader of the week ~ Rupert

Mathematician of the week ~ Tom

Super Star ~ Nancy

Have a great weekend,  
Miss Smith x

### Concerns/Questions

If you or your child has any concerns please feel to contact me on my class email [smith34@st-peters.notts.sch.uk](mailto:smith34@st-peters.notts.sch.uk) Any urgent enquiries should be directed to the school office.
