

Year 3 and 4 ~ Miss Smith ~ 23rd April 2021

Our Learning this week

English - Nonsense Poetry

Maths - Y3 - Fractions, Y4 - Decimals.

Topic - Scrumdiddlyumptious - Food Art - Observational drawing of fruit Science - Food groups

Topic Work

The children thoroughly enjoyed baking bread today and will all be bringing home a bread roll that they have made.

The children worked in mini bakery teams to prepare the dough and then used their creativity to make rolls in a range of designs and sizes.

Over the next few weeks we will be baking other items both savory and sweet. We will be thinking about the food production process; where ingredients come from, recipes, baking/cooking process, through to packaging and advertising and marketing and selling.

Baking Bread

Homework

Times tables ~ Reading ~ Spellings

Topic Project

I would like you to have a go at creating your own cookbook. To do this I would like you to bake/cook something at home each week. This can be something of your choice; cakes, bread, burgers, pizza -whatever you fancy!

I would then like you to write out the recipe including the ingredients, method and drawings/photographs. By half term you should have a nice collection of recipe sheets to bring into school so we can create a class cookbook.

Have fun!

Stars of the week

Writer of the week ~ Xander

Reader of the week ~ Drew

Mathematician of the week ~ Caitlin

Super Star ~ Joe

Have a great weekend,
Miss Smith x

Concerns/Questions

If you or your child has any concerns please feel to contact me on my class email smith34@st-peters.notts.sch.uk Any urgent enquiries should be directed to the school office.
