

East Bridgford, St. Peter's C of E Academy – Homework

Teacher: Mrs Archer Dytch	Subject: Time and Times tables	Date: 17.5.24
----------------------------------	---------------------------------------	----------------------

Good afternoon,

I hope everyone has had a good week.

Curriculum:

This week we have had great fun using clay in art to make relief Islamic tiles using the Islamic star. You will see some photos of this in this week's newsletter. The children also showed them to the rest of school in achievement assembly.

English: We are writing instructions this week, following the T4W format. Today we looked at the features and next week we shall write up our own.

Maths: We have just finished our unit on money and most children by the end of the unit were able to workout simple money problems. We don't use money very much anymore and although many children recognised notes and coinage some struggled to add together and calculate change. Please try and encourage your child/children to add and use real money whenever possible. Next week we start our unit on time. See homework.

HOMEWORK:

In the unit on time the children are expected to already be efficient in telling the time to the minute. We will be looking at the 24hr clock and using both analogue and digital. It came to my attention today that some children are unable to do this. I have set a simple time telling 2do on purple mash so you can see whether they need anymore support at home before next week. Please do this activity with them and help accordingly if needed. Thank you.

Times table sheets have also been sent home as we are getting close to taking the test.

Times tables using purple mash and spellings once a week. Read three times a week (to be recorded in work diary)

Other work to be completed in their homework book.

Thank you.

Mrs. Archer Dytch
