

## East Bridgford, St. Peter's C of E Academy – Homework

<b>Teacher: Mrs Archer Dytch</b>	<b>Subject: Duke's Barn preparation time</b>	<b>Date: 7.6.24</b>
----------------------------------	--	---------------------

Good afternoon,

A huge well done to Class 4! We have completed our times table test and most children will agree it was not as bad as they thought it would be. This is largely down to being well prepared. We practise our tables nearly every day in class; we say them by rote, we sing them, we look at pattern and we practise them regularly, but without your help and support at home too, they can soon be forgotten. So a massive thank you from me for all your support. Keep practising them, especially over the summer holiday and most of the class will know them forever.

### **Curriculum:**

We are enjoying our new art topic and spent a nice afternoon sketching figures and statues. In science/IT we have researched facts about the incandescent light bulb. We have found out why LED lights are better for the environment, who invented it and how it works. We are now learning about the Ancient Egyptians in history and in RE we are studying the Hindu religion.

**English:** Our new talk 4 write topic in English is a focus on characters, especially villains.

**Maths:** We are now studying shape, including angles.

**As we are getting closer to our visit to Dukes Barn, I have asked that the children practice putting bedding on their bed – sheet, duvet cover and pillowcase, pack a suitcase and name all items of clothing. As we will have a talent contest on Tuesday evening, they may wish to send time preparing for that over the weekend/week.**

### **HOMEWORK:**

For a special treat, following the times table test, I have not set any homework for this week (other than the above).

Enjoy the weather and have fun outdoors.

Thank you.

Mrs. Archer Dytch
