## Homework for this week:

Spellings – 10 spellings available on class page. Also written in children's diaries. Children know which ones they are working on.

This week, I would like the children to find their creative side... they are going to be **drawing a polar landscape of their choice**! I have attached some photos on the back of this newsletter of inspiration snowy scenes that children may like to choose from. They can use paints, pencil crayons, or any other medium they wish. Must be A4. We have a brand-new Frozen Kingdoms display in the classroom so I'm looking for lots of wonderful, take care pieces to add to this. If completing this might be difficult, children may complete these over lunchtimes where I can supervise them, and they may use some school resources.

Key dates are available on the Headteacher Newsletter and the weekly newsletter at a glance. See below here:
