Newsletter #18 – Messages:

What have we been up to this week?

| | |
|-----------|---|
| English | Planning a wishing story |
| Maths | Introduction to algebra |
| Reading | <i>The Wolf Wilder</i> up to chapter 8 |
| SPAG | Going through mistakes on the SPAG paper |
| RE | What questions can be answered by science and by religion |
| Computing | Spreadsheets lesson 4 |
| Spanish | Clothes lesson 3 |
| Geography | Polar day and polar night |
| DT | Making bridges! Testing triangles for strength |
| Art | Stamping |

This week, we have completed a range of mock SATS tests. The aim of these tests were to identify misconceptions and gaps that can be addressed over the next three months during boosters and lessons. Your child will have a list of personal key target areas before half-term (once all papers have been marked!), so that they can become more responsible for their own learning and work on these specific areas before the tests in May.

I have also been blown away by the beautiful creations that were made for our Frozen Kingdoms display! The children are all so proud of their work and now their artwork is spilling over the display board since there are that many wonderful ones.

Homework for this week:

There will be no homework for this week. Consider this a nice 'break' before we begin SATS booster homework! Maybe, take some time to be mindful, do something that you enjoy or enjoy the time you would spend doing homework with friends and family 😊

Key dates are available on the Headteacher Newsletter and the weekly newsletter at a glance. See below here:
