Thank you to all parents who came along to the SATS meeting on Tuesday. I hope that it was helpful. All information is now on the KS2 SATS part of the class page if you could not attend. Any further SATS-related questions, please contact the office and request to speak to myself or Mr Tomlinson. 😊

I hope that lots of you enjoyed the Story Cafe and School Disco as well this week. We had lots of excited but sleepy children on Wednesday – clearly, they enjoyed themselves!

## Wednesday afternoons after half-term

On Wednesday 28<sup>th</sup> February, UKS2 swimming will begin for children who are signed up for it. Children that are selected to go swimming will be missing art and computing, that will be taught to remaining children. Please let us know if you would like your child to receive the computing and art tasks that can be completed from home. These are the topics that will be studied:

- Art – Environmental art
- Computing – blogging

## Homework for this week:

From now on, I will copy and paste the specific homework from the SATS timetable below. If children need time to complete this in school, they should let me know and I can organise this for them. I advise that children don't get too far ahead, to keep up the 'little and often' approach. Unless they have an incredibly busy week coming up, where they may want to get ahead of themselves slightly.

Date set	Spelling, Punctuation and Grammar	Reading	Maths	Date homework returned
