20th December 2024

We have had a fantastic couple of weeks. The children thoroughly enjoyed watching the Pantomime last week, especially the parts where they got sprayed with water! We were so proud of all of the children for performing in Lights, Camel, Action. It can be very scary to get on stage in front of such a large audience, but the children certainly rose to the occasion and shone! Thank you to everyone who came to watch the children, your support and encouragement means so much to us and the children.

This week, we have continued the festivities with our Christmas Party, card making and Christmas crafts. The children have had a very enjoyable week and we have still managed to fit in our learning time too.

Maths: In Maths, we've continued exploring 3D shapes.

English: 'Talk for Writing' unit text – Christmas poetry.

With all the talk around Christmas, we were excited to dive into the festive spirit through the magic of poetry! This week, we explored the wonder of words with a focus on alliteration and acrostic poems - two engaging and creative forms of poetry that beautifully capture the essence of Christmas.

Our budding poets have already been inspired by a few of our classroom favourites, including:

"Shiny, Sparkly Stars" and Red-Nosed Rudolph Reindeer.

We would like to take this opportunity to say thank you; for your support, kind comments, Christmas cards and gifts this term – they all have been very kind, and your support has been very much appreciated.

Thank you, as always, for your continued support. If you have any questions or concerns, please don't hesitate to get in touch. We are always around at the end of the day.

Have a great Christmas!

Mrs Williams and Mrs Lewis
