

Week 2

We have been learning about reflection and symmetry

In T4W we have:

- started to change some of the words in the story. We have changed the part 'they walked and walked and walked' to different types of moving

In phonics we have:

- learnt how to sound out longer words
- practised tricky words and graphemes

In Art we have:

- been making silhouette pictures to go with our shadows. We have all found this a little tricky not to use any colours

In Maths we have:

- continued to build numbers to 20 recognising the ten and 4 is 14 etc
- looked at the tricky numbers 13 and 15

In PE we have:

- making up dance movements
- had our outside provider from Ace. Josh is going to be introducing the children to a range of different sports and multi-skills, today was tennis

In Natural World we have:

- been looking making shadows. There are some pictures in the Newsletter.
- we drew around ourselves and then went back to see what had happened to the shadows, only to find they move through the day!
