

Mathematics

This week we will be continuing to compare quantities.

We will be using the stem sentences:

.... is one more than...

...is one less than...

I have the numeral....

Talk & Writing

This week we will be continuing to learn Goldilocks and the three bears.

We will be learning the specific language used in our version of Goldilocks and then innovating parts of the story e.g. changing the characters or some of the props.

Phonics and Reading

This week we will be recapping all of the sounds that we have learnt so far this term. For details please see the phonics page.

Physical

This week we will be continuing activities that will help our fine motor skills. In particular this week we will be making puppets in a number of ways using our fingers to press, twist, squeeze and pinch. We will also be continuing to learn the rhymes for the letter formation r, n, m

Into the woods...

Understanding the World

This week we are learning the Fairy tales or traditional tales are old stories that from the past.

We will be looking at some of the clothes from original stories and looking at some of the occupations of the characters e.g. woodcutters. We will also be learning that many of these stories have different versions because originally they would have been retold and not written down.

Art and Design

This week we will be retelling the stories in lots of different ways and then looking at the characters and settings. We will be making puppets, painting pictures, retelling using the small world equipment and role play and then making our own versions.
