

Parent's SEN Information Report - September 2024

All Nottinghamshire Local Authority (LA) maintained schools and academies share a similar approach to meeting the needs of pupils with Special Educational Needs (SEN) and are supported by the LA to ensure that all pupils, regardless of their specific needs, make the best possible progress.

All schools are supported to be as inclusive as possible, with the needs of pupils with Special Educational Needs and Disabilities (SEND) being met in a mainstream setting wherever possible. The full SEND policy is available on the school website.

All schools are supported to be as inclusive as possible, with the needs of pupils with Special Educational Needs and Disabilities (SEND) being met in a mainstream setting wherever possible.

The four broad areas of need are:

- Cognition and Learning
- Social, Emotional and Mental Health Difficulties (SEMH)
- Communication and Interaction
- Sensory and Physical needs

What is the local offer?

- 'The Children and Families Bill' became operational in September 2014. From this date Local Authorities and Schools were required to publish and keep under review information about services they expect to be available for the children and young people with Special Educational Needs and Disabilities (SEND), aged 0-25. This is the 'Local Offer'.
- The intention of the 'Local Offer' is to improve choice and transparency for families. It will also be an important resource for parents in understanding the range of services and provision in the local area.

The School SEN Information Report

This utilises the LA offer to meet the needs of SEND pupils as determined by the school policy, and the provision that the school is able to meet.

Your child has Special Educational Needs. What can we at East Bridgford St Peter's Academy offer you?

At St Peter's we embrace the fact that every child is unique, and therefore the educational need of every child is different – this is certainly the case for children with SEND.
