Date: Friday 20th January 2023

e-Newsletter #11 – Messages:

Our day has changed slightly this week, with an assembly at 8:50am to get the children ready for the day ahead. We have noticed that this is having a positive impact and they are very focused coming into their morning lessons.

Homework:

Maths – Fractions of an amount tarsia puzzle

Children have chosen a tarsia puzzle to complete, linking to our learning on fractions this week. Children should cut out the individual triangles and match the calculations to the correct answers, sticking this on the bottom of their worksheet or a separate piece of paper.

English – Determiners, prepositions and conjunctions

Children have a worksheet on determiners, prepositions and conjunctions to complete, focusing on both fluency and application skills.

Spellings

As usual, children have their spellings written down in their diaries to revise for next Friday's test.
