FRIDAY 14TH  
MARCH

## Weekly summary

### MESSAGE FROM MISS WALTON

What a busy week we've had!

On Monday, we kicked off our celebrations for British Science Week, taking part in a 'should we flush it away?' investigation. The children got very involved in this - see the whole school newsletter for some photos of us in action! On Tuesday, we tested our personalities and looked at what our key qualities are.

On Wednesday, we joined a live lesson looking at science and farming. This was a really interesting watch. I have handed out parents evening time slots to the children this week. Please let me know if you are unsure of your time. I still have a couple of slots available if you wish to change or I am happy to meet on an alternative afternoon.

### THIS WEEK'S LEARNING

Maths - Fractions, decimals and percentages

English - Hot writing a suspense story

Reading - The 1000 Year Old Boy

Science - British Science Week

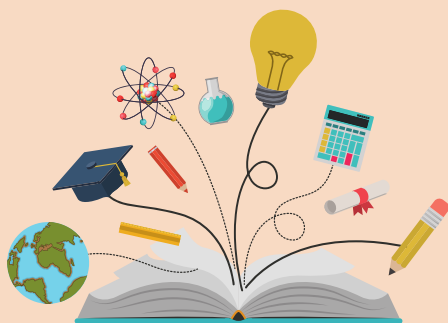

PSHE - Changing and growing

Geography - Farming in North and South America

PE - Fitness and skills; Hockey

Boosters - A range of SPAG, reading and maths skills

Art - Line drawings

## Rapid Retrieval!

### TELL SOMEONE AT HOME...

1. Teach them about your chosen location - what challenges do farmers face there?
2. What are some of the key features of a suspense story toolkit?
3. What do the following prefixes mean? in-, im-, il-, -ir

## Homework

Maths - Ratio and proportion

SPAG - Adjectives; Brackets and dashes

Reading - The Park

## Upcoming events

- Wednesday 19th and Thursday 20th March - Parents Evenings
- Wednesday 26th March - KS2 Author Visit
- Friday 28th March - PTFA Mothers Day shop

Have a gorgeous weekend.  
Miss Walton :)
