MARCH

## Weekly summary

### MESSAGE FROM MISS WALTON

This week has been another busy one! We are coming to the end of lots of our topics now and are starting to wrap these up, ready to commence new topics after the Easter holidays.

I have really enjoyed looking at poetry with the children this week; something a bit different to our usual writing units. The children have been creating their own poem, based on an animal of their choice.

It was lovely to see all of you at parents evening and discuss the progress of your child. I hope you were pleased with how they are getting on. We are nearly there now, and hopefully the children continue their hard work in the run-up to SATs.

### THIS WEEK'S LEARNING

Maths - Area and perimeter
