

St. Peter's Academy – Miss Walton's weekly newsletter

UKS2 Staff:

Mrs. Marston – Class 5/6
Miss. Walton – Class 5

Miss. Brownley – Class 6
Mrs. Smith UKS2 Teaching Partner

Date: Friday 4th February
2022

A summary of this week's learning...

Subject	Key learning points
English	Story-mapping Pig Heart Boy, features of a diary entry, writing a diary entry, parenthesis (specifically using brackets)
Maths	Perimeter and introduction to area
Science	How water, oxygen and nutrients are transported around the body, medical progress and the future of heart research
RE	What does God hate?
Reading	Pig Heart Boy
1 decision	Stealing
Music	'Make You Feel My Love' by Adele

Parents evening – Wednesday 23rd February and Thursday 24th February, remote via Microsoft Teams. Dates and time slots will be made available by the office shortly.

Reading note – For children to work towards reading certificates, reading entries must be written in diaries and signed off by someone at home. We already have a few children well past their gold certificate! I aim to count the children's reads every Friday in school.

Heart dissection – A form has been sent out via the office relating to the heart dissection that will be happening on Wednesday 9th February in the afternoon. Please ensure that this form is filled in. Photos will be uploaded to the class page of this activity.

Homework for this week:

Spellings – Spellings are either on the children's statutory spellings sheets or written in diaries.

Maths – Times tables practice sheet (attached to this newsletter).

Topic – Create a piece of artwork, using the non-scientific view of the heart (a love heart). I have attached some examples on the class page to give you some inspiration. You may want to use pencils, pens, paints, create a mosaic out of different materials / fabrics – the options are endless! House point for the most creative...

Thank you for the brilliant pieces of homework handed in so far this term.

If you are struggling at all to complete anything, please let me know prior to the deadline next Friday and we can sort something out ☺

Homework due – Friday 11th February

Multiply the numbers by the middle number.
