Date: Friday 11th February
2022

A summary of this week's learning...

Subject	Key learning points
English	Features of a biography, writing a biography on William Harvey, debating heart transplants
Grammar	Parenthesis using dashes
Maths	Finishing off area of irregular shapes and an introduction to multiplication
Science	Creating our own end-of-topic knowledge organisers and heart dissecting, writing up an investigation report
RE	Love, holiness and forgiveness
1 decision	Stealing – scenario role plays
Music	'Make You Feel My Love' by Adele

Parents evening – Wednesday 23rd February and Thursday 24th February. A form is available here if you have not yet filled it in: [Parents Evening form](#). Please check your emails confirming your time slots and an invitation to your meeting.

Reading note – For children to work towards reading certificates, reading entries must be written in diaries and signed off by someone at home. We already have a few children well past their gold certificate! I aim to count the children's reads every Friday in school.

Photos of the heart dissection that we completed this week are now available on the class page. The children had a fantastic time and found that this activity really solidified their learning of this topic.

Homework for this week:

Lucky you!! No homework for over half term.

Spellings written down in diaries will carry over to be tested on Friday 25th February.

Thank you for the excellent pieces of homework handed in this term. I really appreciate the time that you may spend with your child encouraging them and assisting them with homework.

Have a fantastic, safe and restful half-term, I will see you all back in school on Monday 21st February, where we will be beginning our new topic 'Maafa'.
