

St. Peter's Academy – Miss Walton's weekly newsletter

UKS2 Staff:

Mrs. Marston – Class 5/6
Miss. Walton – Class 5

Miss. Brownley – Class 6
Mrs. Smith UKS2 Teaching Partner

Date: Friday 25th March

A summary of this week's learning...

Subject	Key learning points
English	Tenses
Maths	Number sequences, comparing and ordering fractions less than and greater than 1
RE	The Easter Story through comic strips
Art	African-style artwork
Spellings	Words containing 'ei'
1 decision	Worry
Music	Fresh Prince of Bel Air
History	Life on a Caribbean plantation, human impact of war, oppression and homework

This week has been a creative one! We have been creating our own artwork based on different prints by African artists, we've recreated the Easter story through a comic strip and we've perfected our own 'top ten priorities for a fantastic school', based on Christianity's Ten Commandments.

Homework for this week:

Last homework of the spring term!

Topic / RE:

Continue with your Lent activities from last week. If you have any evidence of you doing these activities, please bring it in so that we can stick it in your homework books! Last week's newsletter is on the class page if you need to see the Lent sheet again.

Maths:

Worksheet on comparing and ordering fractions.

Top tip – try to make the denominators the same. You will need to find the lowest common multiple of each of your denominators. If all of your numerators are the same, the SMALLER the denominator, the BIGGER the fraction!

Spellings:

Spellings as usual, from children's diaries / sheets that they have been given.

Have a fabulous weekend ☺

Miss Walton x

Homework due **Friday 1st April**
