

East Bridgford St Peter's Church of England Academy

Cedar class

Spring 2 Week 4

The children have worked extremely hard this week doing assessments. We have also managed to squeeze in some fun. We made some fantastic models, in the art lesson, with an environmental message. In science we enjoyed investigating oil and ice, looking at how polar animals stay warm in icy water. We also had a resilience workshop, led by the mental health team. At the end of the week, we were lucky enough to play golf in the sunshine. Thank you to everyone that attended the parents' evening. I know the meetings are short, but I am always available if you need to talk about anything further, just contact the school office.

Homework

Spellings – complete the handwriting sheet. Due Friday and tested.

English/Science – On Purple Mash – complete the adaptation activity. Due Friday.

Reading records – these will be checked on Friday.

Reminders

PE will continue to be on **Monday** and **Friday**. Please bring PE kits in a separate bag to change into.
