

### PHYSICAL

Can you move in different ways?  
Join Jamie in Winter Wonderland  
cosmic kids yoga

<https://www.youtube.com/watch?v=yE1NEivf2Gk>

### MATHS

Using paint and the sides of wooden blocks (squares/rectangles), a toilet roll tube (circle), a potato (oval) and a cut carrot (triangle) can you print your own snowman picture? Can you name the shapes? How many sides/corners does each shape have?

### ART AND DESIGN

Freeze ready-mixed paint in red, yellow, blue and white in ice cube containers. Put cotton buds into the paint before the containers go into the freezer. Use to paint icy pictures. What happens as the paint melts and the colours mix?

## Starry Night/Winter Wonderland

### UNDERSTANDING OF THE WORLD

Freeze some dinosaurs/characters in water in different containers. How are you going to rescue them from the ice? What happens to the ice?

Where is it always cold?

### PHYSICAL (FINE MOTOR SKILLS)

<https://kinderart.com/art-lessons/seasons/winter/paper-snowflakes/>

Use your cutting skills to make a snowflake

### TOPIC

Look at some pictures of a winter wonderland. Can you talk about winter and what you see at winter time? How is it different from summer time? Can you remember what you did when it snowed?

### LITERACY

Read/Watch The Gruffalo's Child  
<https://www.bbc.co.uk/iplayer/episode/b018nrhm/the-gruffalos-child>

Can you join in with some of the words/phrases?
