## Weekly summary

### MESSAGE FROM MISS WALTON

This week has been a busy one! We have spent some time in the sunshine as well as revising for the upcoming SATs papers. I am impressed with how children are handling their revision and taking it in their stride. Not long now until we can enjoy the rest of year 6 and what the rest of the year has to bring!

We had a lovely afternoon on Monday, sampling some Greek food, listening to some Greek myths and even a spot of dancing! It was fantastic and so many children joined in.

Thank you to all of you for the Whitby EV4 medical forms. Please hand this in if you have not done so already.

This is the last week of SATs homework for the children. Thank you to all parents for your co-operation with this over the past few months. I can't wait to see lots of happy faces when their hard work has paid off in July.
