A summary of this week's learning...

Subject	Key learning points
English	Editing and writing up our fantasy stories
Maths	Rounding decimals, ordering and comparing decimals
Grammar	Using commas for clarity and to avoid ambiguity
Reading	1960s reading comprehension and Cole's Kingdom
Science	UKS2 science investigation afternoon
1 decision	Internet safety
Music	Dancing in the street
Topic	Creating our own fantasy island

I would like to thank those children who made a FABULOUS job of their three-week Alchemy Island homework! I was so impressed by the take care effort and the standard of all creations. I have photographed all of the models and they will shortly be available on the class page, as well as making an appearance on our new classroom display. We have also had a chance to show them off in assembly to the rest of the school.

We have also had a brilliant few days celebrating the 1960s era in Britain and the Queen's Platinum Jubilee. We even had time to show off some of our 60s dance moves!

As it is half term, there will be no homework.

The first spelling test back will be Friday 10th June.

Have a brilliant and safe half-term!

Miss Walton ☺
