

St. Peter's Academy – Miss Walton's weekly newsletter

UKS2 Staff:

Mrs. Marston – Class 5/6
Miss. Walton – Class 5

Miss. Brownley – Class 6
Mrs. Smith UKS2 Teaching Partner

Date: Friday 29th April

A summary of this week's learning...

Subject	Key learning points
English	Feature-spotting a fantasy narrative, creating a toolkit for suspense, writing fantasy setting descriptions, editing work
Maths	Subtracting fractions and multiplying fractions
RE	The story of creation – scientific interpretations
Topic	Grid references, contour lines, map-reading, human and physical features of Alchemy Island
Reading	Consolidating reading comprehension skills through Cole's Kingdom
Grammar	The future perfect tense
Computing	Creating digital fantasy landscapes
Music	Dancing in the street
1 decision	Internet safety and stranger danger
Spelling	Homophones – they're, there, their; where, wear, were, we're

We've been super busy in Class 5 this week, making a brilliant start with our new topic Alchemy Island. I hope that the children are making a good start on their topic homework! Please can this not be brought into school until Friday 13th May, thank you.

Homework for this week:

Spelling – As usual please, spellings will next be tested on Friday 6th May.

Maths – Fractions activity and times tables activity on Purple Mash. Logins are all in school diaries. If you are unable to do this at home, please let me know before next Friday and I will try to allocate some time for you to do it at break. ☺

Topic / English (three-week activity!) – Continue with last week's task. This is available on the class page under newsletters should you need to revisit the task. This will be due in on **Friday 13th May**.

Have a brilliant weekend, Miss Walton ☺
