### Homework for this week:

Spelling – As usual please, spellings will next be tested on Friday 13<sup>th</sup> May.

Maths – Enjoy a week off maths homework this week – I have a times tables activity available in class. If you would like to practice your tables, please ask me for a worksheet!

Topic / English (three-week activity!) – Continue with your topic task. This is available on the class page under newsletters should you need to revisit the task. This will be due in on **Friday 13<sup>th</sup> May**. Please do not bring in any finished projects until this final hand-in date. I cannot wait to see them all!

Have a brilliant weekend, Miss Walton ☺
