Thank you for all of the filled in surveys that the children have collected. These will help us next week in English, when we write our letters to Mr Tomlinson.

This week, we've turned into radio hosts and have been writing and recording our own podcasts. We still need to finish and finalise a few of these but they are sounding fantastic.

### Homework:

**English** – Based on what we have done this week in English (podcasts), listen to a podcast at home. There are some fantastic children's podcasts available on Spotify and on BBC Sounds:  
<https://www.bbc.co.uk/sounds/category/childrens>. Maybe you can learn something new and tell me about it?

**Maths** – Complete the times tables tarsia challenge!

Cut out each triangle and try to match an answer with the correct multiplication statement. A good tip is to start with the triangles that have a side blank. If you do not have glue sticks, children can draw their tarsia rather than cutting and sticking, or complete this in school time ☺.

**Spelling** – Children to learn the spellings from their lists / diaries. These will be tested next on **Friday 1<sup>st</sup> July**.

Have a fantastic weekend and I will hopefully see some of you at the village show!

Miss Walton ☺
