Miss. Walton – Year 6 Teacher

Date: Friday 17th May 2024

Post-SATs Y6 Newsletter!

SATs are over!

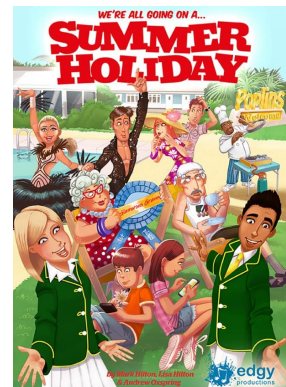

And we've made it! I am really impressed at how calm and collected year 6 have been this week in what has been such a stressful time. I hope that they have done themselves proud and know that they put in their absolute best. Results will be available to schools and children in July.

What are we up to in school now?

We will now be teaching maths in a more 'real-life', project style. We will be exploring how to run a business, use a bank account and create our own bakery! In writing, we will continue with our writing curriculum. Writing is internally assessed by myself and other staff via internal moderation. We will also continue the curriculum for our foundation subjects, focusing on the World Wars.

End of year show

Our UKS2 production this year is going to be 'We're all going on a summer holiday!' Children will be bringing home their scripts today and they need to be kept safe in their bags. Shows are Tuesday 16th July AFTERNOON AND EVENING and Wednesday 17th July EVENING. For children to be cast for a part, they MUST be available on these dates. Further information on costumes / tickets / timings will be sent out in June.

Whitby residential

Next week, I will be sending home a medical form and trip overview pack for you to read through. We will need all medical forms back prior to the trip. Any payments that are outstanding must also be paid – please contact the office if you have any questions.
