Things to note:

- The *Spelling* transcripts are found in a pull-out section in the middle of the SPaG book. You will need another person to read these to you 😊.
- Over the Easter holidays we have set slightly more homework than in other weeks, this is because this holiday is for 2 weeks.
- You may complete the Scoresheets in the books if you wish. This is not compulsory.
- It may seem like there are a lot of pages to complete each week. However, the books are small in size and there are only approximately 3 questions on each page. The books were also originally designed to be 10 minute tests, you may time yourself if you wish but this is not something we expect you to do. Work through them at your own pace 😊.
