

Collect some pairs of socks.

Now mix them up and see if you can find which socks match together.

What do you notice about your socks?

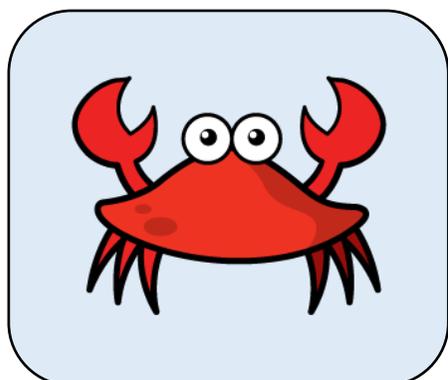

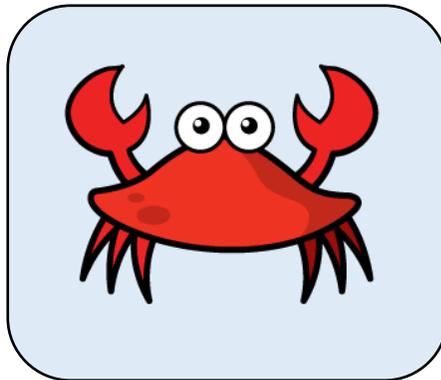

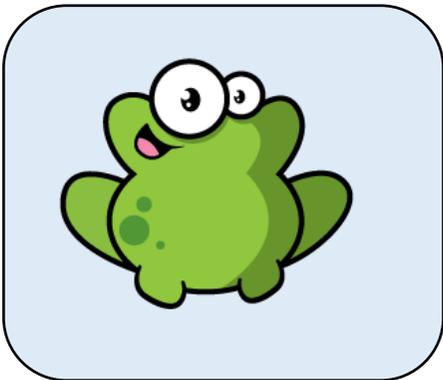

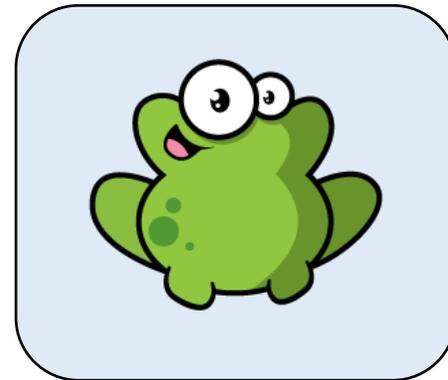

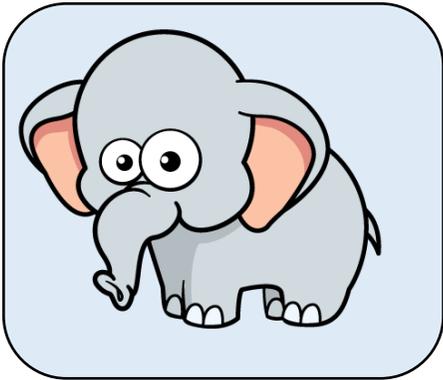

What is the same? What is different?

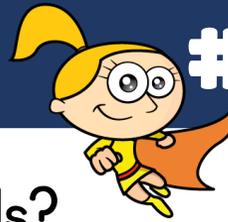

Can you cut out these cards?

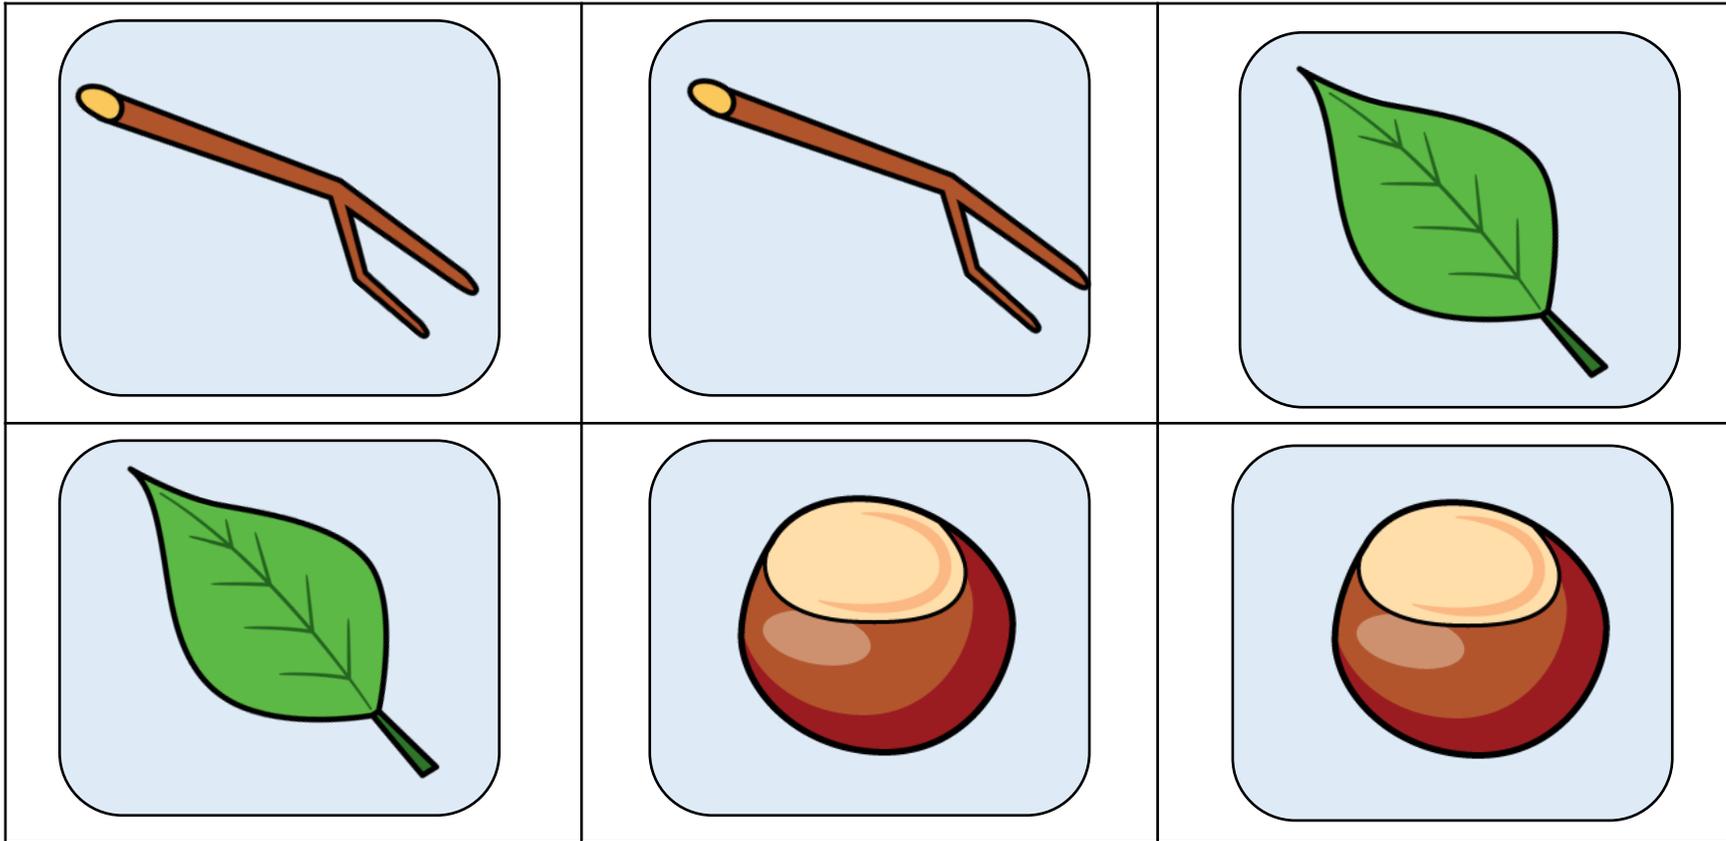

Now have a go at the memory game! Look out for those matches!

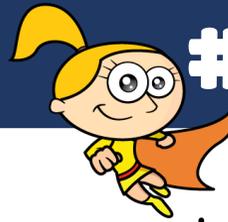

Here are some different cards?

Can you have another go at the memory game?

Can you make some of your own cards to play the memory game with?
You could draw animals, shapes or even draw pictures of you and your friends. Remember to look out for the matching cards!
