

Maths

We will be diving deeply into the numbers 1, 2 and 3.

Make a collection of objects to represent number 1, number 2 and number 3. How many different ways can you find?

English

We will be listening to the story of Rama and Sita. We will also be looking different Bonfire poems. Can you have a go at writing down any words you can think of to describe the sounds you might hear at a Fireworks display?

Phonics and reading

This week we will re-capping our Phase 2 sounds. Flashcards are a great and fun way to help a child learn the different sounds. Why not go on a sound hunt around the house? Can they go and retrieve the correct sound from around the room? Use our Useful Phonics resources to help if you are unsure.

How do we celebrate the festival of light?

Topic

We will be looking at how we celebrate the festivals of light, including Christmas, Diwali and Hannukah. We will also be linking this to our British Values. Have a look at activities you could do at home using the link below:

<https://www.eastbridgfordstpeters.co.uk/sparkle-and-shine/>

Understand of the world

Phone a friend and ask how they celebrate Bonfire Night. Is it the same as how you celebrate it or is it different?

Art and Design

Cut, tear, fold and stick a range of materials to create a picture of favourite celebration.

Physical (Gross Motor)

We will be looking at how to move with control through a Diwali Dance.

Physical (Fine Motor)

We will be looking at forming our curly caterpillar letters (c, o, a, d). Have a go at writing these in different materials e.g sand, foam, paints, slime, lentils, rice, cornflour and water.
