

Maths

We will be looking at different shapes.

Can you go on a shape hunt around the house? How many circular, semi-circled, triangular and squared shaped objects can you find?

English

We will be carrying on our work with the story of Rama and Sita. Can you re-tell the story to your grown up?

We will also be listening to a range of fairy tales.
Do you have a favourite fairy tale?

Phonics and reading

This week we will be introducing the children to our Phase 3 sounds. Can they think of any words beginning with 'j', 'v', 'w', 'x' or 'z'? It is really important to continue revising Phase 2 so head over to the Phonics page where you will find Phase 2 Phonics games to play at home,

What is a fairy tale?

Topic

We have uploaded a variety of activities to do with our topics this term. Over main topic is 'Once upon a time' with a companion project 'Sparkle and Shine'. Use the link below to take you to the specific topic areas where you will find activities we think you'll love doing at home.

Understanding of the world

We will be looking at different materials. How many shiny objects can you find around the home? Can you sort them into shiny and non-shiny?

Art and Design

Can you draw a picture of your favourite fairy tale character and label who it is?

Physical (Fine Motor)

We will be looking at forming our numbers (0, 1, 2, 3). Have a go at writing these in different materials e.g sand, foam, paints, slime, lentils, rice, cornflour and water.
