

## Maths

We will be looking at positional language.

Can you set up a treasure hunt at home using pictorial clues? As they go around the house, encourage them to describe where they are going e.g. up the stairs, under the bed.

## English

We will be looking at Goldilocks and The Three Bears as well as Three Billy Goats Gruff.

Can you act out the two different stories? What similarities and differences do you notice?

## Phonics and reading

This week we will be carrying on with our phase 3 sounds, introducing them to 'z' and 'qu' as well as revising the sounds from last week. Please take a look at how we form our letters on the website. It is really important to continue revising Phase 2 so head over to the Phonics page where you will find Phase 2 Phonics games to play at home.

## Into the woods...

## Topic

We have uploaded a variety of activities to do with our topics this term. Our main topic is 'Once upon a time' with a companion project 'Sparkle and Shine'. Use the link below to take you to the specific topic areas where you will find activities we think you'll love doing at home.

## Understanding of the world

We are developing our understanding of 'old' and 'new'. Do you have any of your toys from your childhood you could share with your child? Encourage them to think about the similarities and differences.

## Physical (Gross Motor)

We will be developing our skills in cricket. Can you have a go at throwing and catching a ball? How many can you do without dropping the ball?

## Art and Design

Can you build a house for one of our traditional tale characters? It has got to be waterproof and strong if it is going to remain standing through the winter storms.
