

Maths

We will be looking at the number 4. Can you set up a teddy's bears picnic for 4 of your teddies? How many plates, bowls and cups will you need altogether? How much cutlery will you need to put out?

English

We are exploring the story of The Three Little Pigs. We would like the children to be able to verbalise and have a go at writing an alternative ending to the story. Can you think of a different ending to the story?

Phonics and reading

The children should practice the tricky words that we sent home at the end of last term. Why not play hide and seek with the words? Hide the words around the house, give your child the word and they have to go and find it.

Into the woods...

Topic

We have uploaded a variety of activities to do with our topics this term. Over main topic is 'Once upon a time' with a companion project 'Sparkle and Shine'. Use the link below to take you to the specific topic areas where you will find activities we think you'll love doing at home.

Understanding of the world

We are looking at bridges. Can they build a bridge out of materials from around the home. Challenge them to put a mini figure on top of the bridge. Is it safe?

Gross and Fine Motor

Can you come up with a sequence of jumps and balances? Why don't you show your grown ups the sequences you've been practicing in PE?

Art and Design

Over the past two weeks we have been looking at stories that have been set in either woods or forests. Can you make your own forest/woodland scene?
