**Homework:**

To end our Stargazer's topic, we have set the children a creative 'Space Buggy' challenge. They have 2 weeks to complete the challenge. They have taken a booklet home with them today (13.11.2020). We will collect booklets back in upon completion and will require the children to send a photograph or a video of them with their buggy to us via email. We will be awarding house points and prizes for innovative ideas, effort and original designs. (Please note that some of the spellings in the booklet are American i.e. tire). I have also included a maths challenge to go with the project.

On the class page I have set the children the challenge to learn the International Alphabet. We will be doing some fun quizzes in class using this, linking it in with our weekly spelling programme.

**Please make sure that planners are in school every Friday in order to keep an accurate spelling record. The lists of spellings can be found on our class page in the Challenge section. Don't forget to ask your parents to sign your diaries each week.**

**Weekly and General Reminders:**

PE is on Thursday. **Please bring a spare pair of shoes to change into. Make sure that you have enough layers on to keep warm in class and outside..**

**Homework due in – 30<sup>th</sup> November**
