Due in 8 days
To be done: at home

As part of our MFL curriculum we are using Language Angels to teach the children basic Spanish. This week we have been learning how to introduce ourselves and count up to 20. For homework this week I would like the children to practise basic numbers in Spanish using the two games listed below. The children all have a fact sheet that they can refer to. The children can access any of the games on Language Angels using the password and user names below.

Numbers 11-20 Memory

Number 11-20 Bingo

Each week we will be doing a spelling test on Fridays based on the individual sheets in children's planners (bronze, silver, gold). The children know that this Friday we will all be doing the first 10 spellings of Bronze block 1 (unless they have an individual arrangement with me). Please make sure that planners are in school every Friday in order to keep an accurate spelling record.

Please can you make sure that you keep up to date with your reading – the target is 6 books a term. Don't forget to enter these into your planner/diary. Please can you make sure that you have your diary in school every day each week so that we can write down what we have done each day and also use as reference resource.

Please note that the flu vaccinations will now be done on the 9th December.

Weekly and General Reminders:

PE is on Thursday....**Please bring a spare pair of shoes to change into.**

Homework due in – 13th November

Thank you for helping your child with their work. Please let us know if for any reason they were not able to complete it. We are available for you if you have any queries after school or by prior appointment at a mutually convenient time. If you have concerns about your child's well being (e.g. you feel they are being bothered or bullied by another child), please contact me or Mr Tomlinson immediately. Whatever the seriousness of the circumstances we want to ensure that your child remains happy and able to achieve their best.
