This Week:

Mr Tomlinson has now launched the House System and all the pupils know which houses they are in. On Friday, we will learn of the different charities that each House Captain has chosen to support. We have already given out some house points in Class 56 but I am looking forward to awarding lots more! Each term Miss Brownley, Mr Jennings and I will be choosing three ways for you to earn a house point. These will be linked to the behavior policy and our school values. In UKS2 this term we are specifically looking for you to:

- **Be well prepared and ready to learn**
- **Perform a task that benefits the class or the school community**
- **Display actions that take care of yourself and your peers**

Thank you for all the contributions to the class page – it is already looking very exciting.

This week we have:

- Looked at phases of the moon
- Investigated the Chinese Mid-Autumn Festival
- Grappled with multi step problems involving all four operations in maths
- Edited and perfected our class prayers
- Designed a lunar buggy and coded to make it move.
- Quizzed
- And MUCH MORE!

The children have now been back in school a month and have all been brilliant, adapting to new style school brilliantly.

Have a good weekend

Mrs M
