**We strive to live our TAKE CARE Values & Ethos each day.**

'Opportunity to put things right'

'Your behaviour is your responsibility'

Message  
from  
**Mr Tomlinson.**

### Children in Need

Today the children supported 'Children in Need' by having a non-uniform day, SPOTacular design competition and a giant Pudsey Bear raffle (kindly donated by the Rotary club). Thank you to our **Luke, House Captains** for selling raffle tickets.

## Parents' Evenings

**Parents' Evenings 3.40pm-6.40pm. Wednesday 23<sup>rd</sup> & Thursday 24<sup>th</sup> November.**

**Face to face parents' evenings are back!** We look forward to seeing you in school. Your date/time will be sent home in due course. If you do not receive a date/time before next week, please contact the school or ask your child's class teacher on pick-up at the end of the day.

There will be a 'feedback' form aimed at your own child, where you will be able to write encouraging words and share with them how proud you are of their efforts, progress and achievement after you have had the opportunity to look through their work so far. This will be placed in their book to read the following day.

## E-Safeguarding

I would like to draw your attention to our E-safety letter to parents, regarding age-appropriate gaming out of school. Possible risks for children using online services such as these may include: Inappropriate conversations / exchanges with 'friends' or 'peers' from school. This can then create problems between pupils when they come into school (despite the fact the exchanges happen outside of school). It can also create problems between parents / families and if the children were not allowed underage access to these social media sites, this would not occur.

Online services use 'age targeted' advertising and therefore your child could be exposed to adverts of a sexual or other inappropriate nature, depending on the age they stated they were when they registered.

Children may accept friend requests from people they don't know in real life, which could increase the risk of inappropriate contact or behaviour. Language, games, groups and content posted or shared is not moderated, and therefore can be offensive, illegal or unsuitable for children.

See our school website safeguarding link for further details, parent support/help videos, etc.

Head Teacher

Severn Trent came into school this week to do an assembly on how important it is to keep hydrated with water. They also taught the children about single use plastic and the journey a bottle could take if we recycled more!

## Out of School Achievements

[newsletter@st-peters.notts.sch.uk](mailto:newsletter@st-peters.notts.sch.uk)

Isobel took part in the Children in Need, Walk with Joe event at the weekend where she completed the 2k circuit.

We're super proud of Tilly for completing her level 3 swimming award at Bingham swimming club. On to level 4 now! Well done Tilly x

Alicia really enjoys going to her gymnastics sessions. This week she was awarded Gymnast Star of the Week for her work on the vault. We are so proud of all her hard work.

Charlotte (Year 1) has been working hard at gymnastics and we are very proud of her for passing Level 3.

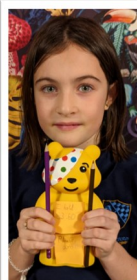

We were super proud of Olivia for being 'Star of the Week' at Stagecoach. Her dancing was amazing but she was also recognised for how well she looked after her peers.

Mason won the golden boot on Saturday for 'Player of the week' in football training! It's only his second week, so we're super proud of him!

Layla has been collecting spare 1p and 2p coins in her Pudsey moneybox to raise money for Children in Need. So far she has collected £3.60 and has a target of £10. Well done Layla x

Chloe has only been doing gymnastics lessons for a few weeks and has just achieved her level 7 development award. Well done Chloe! Also, Freya has just taken part in her first Rainbows sleepover. As she was nervous going we agreed we would donate 50p for every hour she took part and the total was 28 hours so she helped raise £14.
