Trips and Residential (overnight) trips

At St Peter's we strongly feel that residential experiences and day trips can play an important role in a child's learning and growing during their time here. The confidence element alone can be significant in a child's development.

Moving forward, and in a response to cost of living concerns and the significant increase in the cost of these trips, future residential overnight stays and trips are being looked at for best value but without compromising on quality.

As it stands, overnight residential trips are currently only for three of our Year groups. For Year 2, which is a one overnight stay at Beaumanor Hall, with Year 1 children going for the day. The Year 4 residential is currently a two night / three day experience at Dukes Barn outward bound adventure centre. Our Year 6 residential is currently a two night / three day experience at Whitby and surrounding area.

Day trips are for all year groups or on occasion may just be for a particular Year group. We work out a payment cost which is fair and reasonable. If payments cannot be met we do ask parents/carers to contribute what they can. However, if a cost of a trip or residential is not cost effective overall for school we will have to reconsider which trips we rebook the next time. As always, any positive feedback regarding trips and residentials are welcomed.

In addition, I would like to highlight that staff do give up their own time to lead and accompany the children on residential experiences and are instrumental in organising these trips alongside the office team. Also, thank you to our parents who give up their time to accompany the children on these day trips and play an integral part in these trips going ahead.

Thank you for your continued support.
We value your trust in us.
Don't let issues grow.
Stay safe. Stay connected.
Take Care.
Mr Tomlinson.

On Saturday, 21 Jan, Bethany walked 6 miles in -4deg in the snow to the top of Win Hill, Peak District. Well done Bethany, fantastic walking!

Ronnie, Flynn and Ronnie's pony Jed raised £465 for the charity, all three of them made us very proud and the charity were extremely grateful for there much needed funds. Well done boys.

Oliver very quickly achieved his level 1 swimming badge, we are really proud of him for trying very hard and loving his swimming.

Last Saturday, Hugo got up at 5am to venture into London with his swimming team from Virgin Active Nottingham to take part in Virgin's National Swimming Gala. Taking place at London Aquatic Centre in the Olympic Village, Hugo was thrilled to take part. It was his first swimming racing competition and so swimming 50 metres front crawl took quite an effort. He and all of his team mates did their club proud.
