Take Care Work

This term LKS2 (Year 3 & Year 4) have been learning all about volcanoes. I just wanted to say a huge thank you for all the magnificently created volcanoes: **Take Care work** (where if you really care and put in tremendous effort you are rewarded with a great feeling of feeling proud and a job well done). Observing the children 'explode' their volcanoes in science lessons was full of excitement and hopefully a sense of 'sticky' learning which will help your child to *learn more, know more, remember more, do more*. Having the opportunity to show-off their volcanoes in our achievement

assembly was a wonderful moment to share with the whole school.

Parents' Evening

We look forward to seeing you in school on these dates:

Tuesday 21st March and **Wednesday 22nd March**

3.45pm-6.45pm, both nights. Appointment letters have been sent out. If you haven't received a form to request a time slot, please contact the school office. You will get to see your child's work and are encouraged to leave a written feedback sheet of encouraging and motivating comments for your child to read the following morning.

UKS2 school swimming lessons & water confidence

We visited the new Bingham Leisure centre swimming pool this week (*and very swish it is too!*). As a school, we have only been able to take a limited number of Year 5 & Year 6 swimmers for a 5 week course of lessons. By the end of Year 6 the National Curriculum for PE states children should be able to swim at least 25m using a range of strokes plus have a knowledge of water safety.

Rotary Competition

one more week (extended)

Friday 10th March (noon) is the deadline for any Junior ONLY entries for the art/photograph competition. Theme this year is 'Animal Kingdom'. Bring your named entries direct to Mr Tomlinson before this date.

Experience Easter

On Tuesday 28th March all the children (in groups throughout the day) will be visiting St Peter's church to 'Experience Easter' - a rotation of activities all about Easter, created by Rev Ruth Colby and the church community for the children.

Thank you for your continued support.
We value your trust in us.
Don't let issues grow.
Stay safe. Stay connected.
Take Care.

WORLD BOOK DAY
2 MARCH 2023

We started World Book Day with an assembly with Rev. Ruth. Can you guess what her favourite book is? That's right, the Bible! She told us a story about Mary Jones, a 15 year old Welsh girl who trekked 26 long miles to buy a Welsh Bible. She is 1 of the 3 individuals whom The Bible Society founding revolves around.
