**Oh Lord, bless our school, help us to Take Care of ourselves, each other,
the world and with our work. Amen**

Click on the hands to take you to a video of our school take care prayer in sign language.

Our House Teams ~ Our Christian Distinctiveness
Striving for Life in all its fullness John 10:10

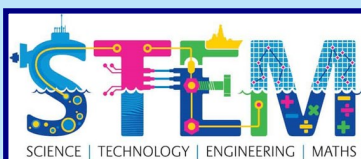

**Message from
Mr Tomlinson.**

Aspire – STEM

This week we have been learning about STEM. **All ages in school** have been challenged to think hard about creating, designing, working

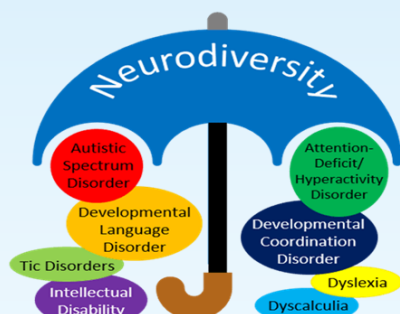

together, thinking outside the box, using previous knowledge and using many skills to build Towers: tallest, strongest, most pleasing to look at, calculating, testing, learning from mistakes, evaluation, being engineers, teamwork.

In the afternoon, **zoom calls** were arranged for **Aspire schools** to share their findings.

Neurodiversity

When it comes to inclusion, neurodiversity refers to a world where neurological differences are recognised and respected as all other human variations. Depending on how our brains are wired, we think, move, process information and communicate in different ways. Many people in our community use neurodiversity as an umbrella term used to describe alternative thinking styles such as Dyslexia, DCD (Dyspraxia), Dyscalculia, Autism and ADHD. But regardless of labels, neurodiversity is about recognising those who think differently.

On the 'Neurodiversity' website there are a multitude of parent resources, including information about types of neurodiversity and free online webinars.

We cannot endorse specific content but hope that these resources are

helpful to you. <https://www.neurodiversityweek.com/parent-resources> **Why don't you create a Neurodiversity poster (a selection can be presented around school, A4 size please), after looking through the website and/or watching the video clips on the link together, to raise awareness and celebrate thinking differently.**

School Football Squad

This week our team travelled to Willow Farm Primary school to play their first match of the season. St Peter's ran out winners with a 4-0 performance. Thomas Pullen scored all 4 goals. Mr Maynard (Head coach) commented the game was played with tremendous spirit and real teamwork.

Thank you to Mr Maynard for volunteering your time to run the school football team. Thank you also to the parents for your support. As a school, we strive for a balance between healthy competitive sport, taking part, representing the school and all-inclusive participation in and outside of school.

Parents Evening

We look forward to seeing you in school on these dates:

Tuesday 21st March and **Wednesday 22nd March 3.45pm-6.45pm, both nights.**

If you do not have an appointment time slot, please contact school.

Thank you for your continued support.

We value your trust in us.

Don't let issues grow.

Stay safe. Stay connected.

Take Care.

Mr Tomlinson.

Head Teacher

Pre School children had fun in the snow last week!

Easter Egg Competition

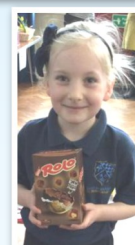

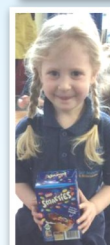

Friday 31st March - EGGstravaganza
competition. Opportunity to be creative, by
yourself, with other family members. Taking
part is optional, however, we would like to encourage as many children to
take part and think outside of the (egg)
box!

Out of School Achievements

newsletter@st-peters.notts.sch.uk

Last week Oliver received player
of the week for football. We are
very proud of him!

Oscar and his team mates
(Lowdham Colts) were
honoured to be mascots for
Notts County this Saturday.
We are all so proud of Oscar.

Jack (Mrs Gilbert's
class) achieved his
orange belt in
Karate last week!
