Our House Teams ~ Our Christian Distinctiveness Striving for Life in all its fullness John 10:10

Message from Mr. Formlinson Firstly, well done to our Year 6 children this week, their focus, discipline and

effort did not go unnoticed. Year 6 children across the country have been taking their end of Key Stage 2 SATs tests this week. These tests project Well done to our Year 6 towards GCSE at secondary school, help support where potentially schools might need to improve and are a summative assessment of whether a children in their SATs this week! child has met Government expected standards, working towards these standards or are demonstrating a greater denth of learning. The results standards or are demonstrating a greater depth of learning. The results

will be released in July and will reported to Year 6 parents.

Thank you to the team of teachers, teaching assistants and governors who helped support our Year 6 this week.

Of course, these tests do not, and can not, measure what any child is fully capable of. Whatever your views on SATs, we at St Peter's strive to prepare every child for life in Modern Britain and the challenges and excitement this does, and will bring.

St Peter's strives to prepare children with integrity, aspiration, a hard work ethic but also to celebrate, be proud of themselves and of their achievements whilst reflecting to improve by going that bit further; Going Beyond Expectation. All expressed as a 'Take Care' ethos; we ultimately want the very best for each and every child. Together in Achievement!

PE kits. Be proud to wear our school uniform, colours and badge

Recently, I have noticed a handful of football shirts making their way into PE lessons and sports clubs. I want every child to feel proud to wear our school PE kit / colours. Wearing football team shirts can lead to a distraction from learning and are therefore not part of our school uniform. Please save these football shirts for out of school. Thank

At this time of year it is quite common for footwear to be a little tighter as we come to our summer term ending and the last thing parents/carers are thinking about is new shoes because this is a 'ready for September' thing. I totally understand. However, a

handful of the footwear coming into school is not waterproof, leading to interesting smells to say the least. Please consider doing what you can to uphold our school uniform at all times, especially as the warm summer months are almost upon us. https://www.eastbridgfordstpeters.co.uk/school-uniform/

Thank you for your continued support. We value your trust in us. Don't let issues grow. Stay safe. Stay connected. Take Care.
