PTA School Disco

This week our PTA ran a school disco which was enjoyed by both children and parents/carers alike. It was great to see so many of you. We hope you enjoyed being together. Thank you to all the **PTA volunteers** and **St Peter's staff** who offered their time to put on the disco to raise money for school funds. **Thank you.**

Communication is key!

In year 6, they have been learning how to sketch a variety of different landscapes, from different perspectives.

Belvoir Castle wanted to get in touch about a competition they are launching for local schools, in connection with their exciting new adventure playground which is being built inside the castle gates. The playground will open on 15th October, and as part of its launch activity, they are inviting local primary schools to enter the competition and win a trip for their whole class to **visit the new playground on Friday 14th October**, before it opens to the general public. They are asking budding young play chiefs to design a playground of their own. It's suitable for individual children to enter, or as a whole class. The **deadline for entries is 5pm on Wednesday 5th October**.

Look out for the email with more details.

Out of School Achievements!

Please send all items for the newsletter to newsletter@st-peters.notts.sch.uk email rather than the office email.

Many thanks.

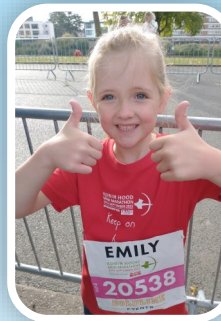

We are very proud of Adriana who successfully completed her first 3 dance awards with Highly Commended. Adriana also won a special merit award after being one of two dancers identified as "ones for the future". Here she is with the trophy. Well done Adriana.

Well done to Ava who plays for the Nottingham Lions under 10's Ice Hockey team and was chosen to demonstrate her Ice hockey skills on Sunday at the Motorpoint Arena between the Panthers v Steelers Hockey game. Ava smashed it and did it with a big smile on her face! We are so proud of all Ava's Ice Hockey achievements this year that have been created through her own hard work, passion, and determination. Keep working hard and achieving your dreams.

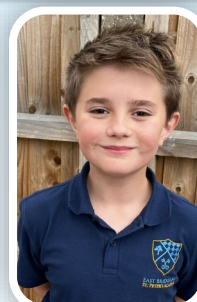

George in Y3 offered to help out with maintenance at our local bowling green and he was rewarded with a chance to try bowls. He really enjoyed both activities. Well done George for helping out in your local community!

Emily in Miss Fishers class ran the robin hood mini marathon this weekend with her younger cousin and grandad. She did really well and helped her little cousin along the way. We are all really proud of her.

Emily has also today completed stage 2 swimming and will start stage 3. A very busy week after her run on Sunday.

This is an email to say how proud we are of Samuel. He has only been going to the Calverton and Bingham Swimming club training for less than a month. Sunday was his first gala and he did so well and tried incredibly hard. In his heats he came first and second. He is really proud of himself (and we are too).
