Awe and Wonder - a moment in time.

Last week in Mindfulness Playground, a child was quietly just watching a bee in action (pollination). The child continued to articulate and explain to me all about pollination. Simply wonderful. We then sat and watched the bee together. This week we decided to give nature a helping hand by scattering some wild flower seeds.

Message from Mr Tomlinson

Playground supervision in the morning from 8.30am

Thank you for supervising your children in the playground first thing in the morning. The morning time is a great opportunity to catch up and speak to other parents, however, please keep an eye on your child and stay with them until they go in at the bell. All staff are waiting at the classroom door to welcome the children and to start registration and learning.

Permission forms

If you haven't already, can we remind you to send in the contact and permission forms about your child. E.g. photo permission (or not), up-to-date medical information, dietary requirements, etc.

We would really like to share more photos of children's learning, but we are restricted due to not having all the permission forms back. Our aim is to share children's learning (photos) and those awe and wonder moments.

PTFA Disco. Wednesday 27th September 2023 5.30pm-7.30pm—Licensed bar.

Remember: All children must be accompanied by a parent/adult throughout the entire evening.

Health & Safety

Fire evacuation is straight to the field. The fire plan is (if told to by the fire service we can't re-enter the building) to evacuate again to St Peter's church if required to do so. Parents will be informed and kept up to date via text initially regarding collection and contingency plans.

Parking

Please be mindful of parking, dropping off outside of school and of the disabled parking bay outside school. This is required by a handful of parents/local residents throughout the day. Parking Enforcement camera cars operate around East Bridgford.

We have received our AED (Automated External Defibrillator) in school. The government have offered an AED to every school. Ours is situated in the main entrance inside school.

Please label items of uniform, footwear, PE kits, other belongings. Thank you

Your Park Needs You! The New Play Park Proposal.

If you would like to be a part of the Play Area Working Group please contact Sharon from the Parish Council on email parishcouncil@eastbridford.com

The more residents we have involved, the bigger the chance East Bridgford has of having a new updated inclusive park for 2024.

Thank you for your continued support. We value your trust in us. Don't let issues grow. Stay safe.

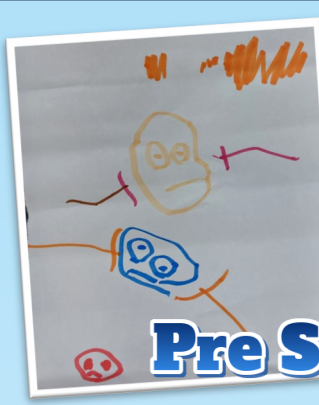

Stay connected. Take Care. Mr Tomlinson. Head Teacher
