Our House Teams ~ Our Christian Distinctiveness

Striving for Life in all its fullness John 10:10

Message from Mr Tomlinson

Pupil Voice

This week children from every class in the school have been nominated by their class teacher and chosen ultimately by the Head teacher to represent Pupil Voice.

Pupil Voice is when children are asked about various aspects about school: *school dinners, playtimes, assemblies, lessons, subjects, clubs, etc.* and then asked to offer their view or voice by answering such questions as: *what they enjoy most... even better if... one wish...*

These children will find out soon who they are. As a school we look forward to hearing their voice and co-creating an ever evolving school experience.

Watch this space...

Coming soon... Play Leader training for lunchtime play. More play equipment at lunchtime.

Our core purpose is one of 'Profound Personal Development' and 'striving for life in all its fullness (John 10:10).

*This week school received a wonderful 'thank you' card from a parent saying how much their children enjoy school. That their children follow the Take Care values even outside of school, and simply just an overall thank you for all we strive to do for their children. Thank you for your kind words and positive feedback.

All our staff (over 40 in total, plus our *governors – who give their time and skills voluntarily*) strive for the same Core Purpose. Every single person is valued (even if I don't say it enough!) and we all want what is best for your children. Only together can we do this, working together in achievement.

Our Take Care (hand) values represent an approach and attitude to school, work and life. Whereas, our Christian values: **togetherness, thankfulness, kindness & love**, represent how we should treat one another each and every day.

Story Café

Thank you so much to everyone who attended the return of the Story Café event. It was such a great feeling watching you tuck in to your breakfast and listen to a story read by the lovely Anna. The event raised over £170 which the school will use to purchase a selection of Reading Spine books to share with every class.

World Thinking Day/Founder's Day is celebrated by 10 million girls worldwide and by 50 million Scouts worldwide. Each year there is a theme. The theme encourages members to think about big issues affecting them and others around the world, such as poverty, gender inequality, environmental sustainability, and access to education. But why 22 February? At a World Conference, among other decisions, they agreed that there should be a special annual day when Girl Guides and Scouts around the world think of each other and express their thanks and appreciation for our international Movement. This was called Thinking Day for the Girl Guides and Founder's Day for the Scouts. The delegates chose 22 February as the date because it was the birthday of our founders, both Lord Baden-Powell, founder of the Boy Scout Movement, and his wife Olave Baden-Powell, who was World Chief Guide.

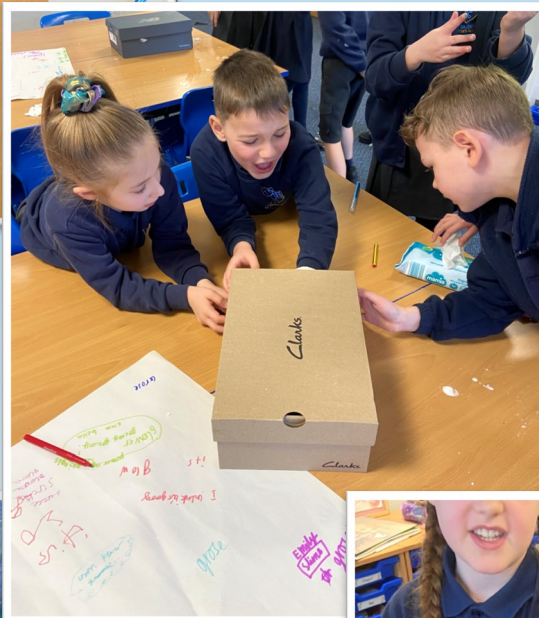

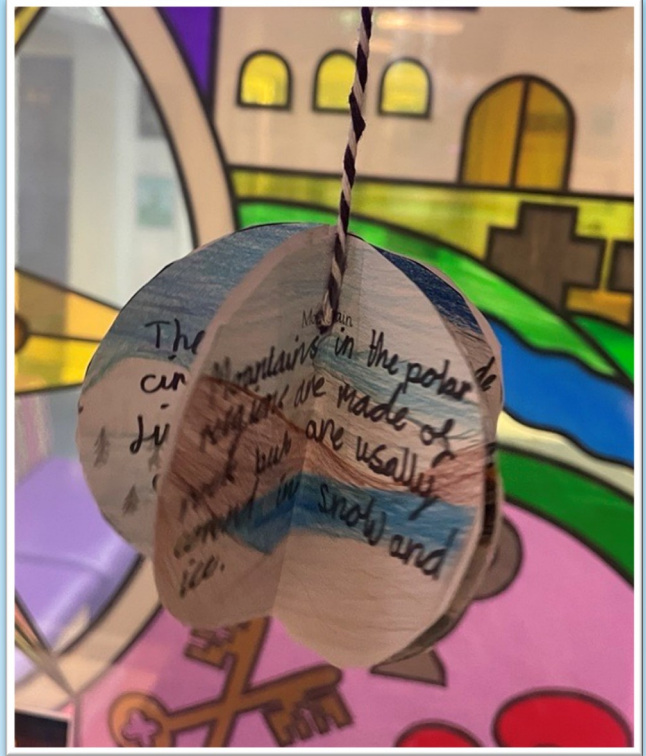

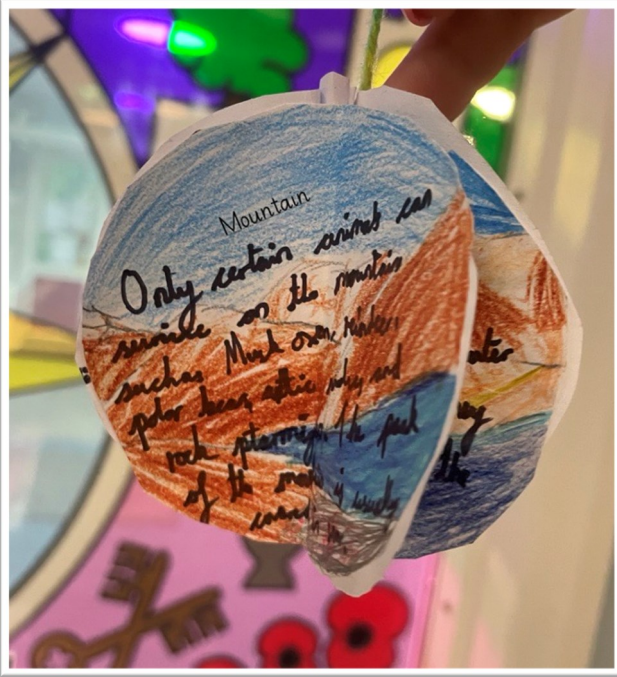

Miss Waghorn's class have been painting landscapes this week.

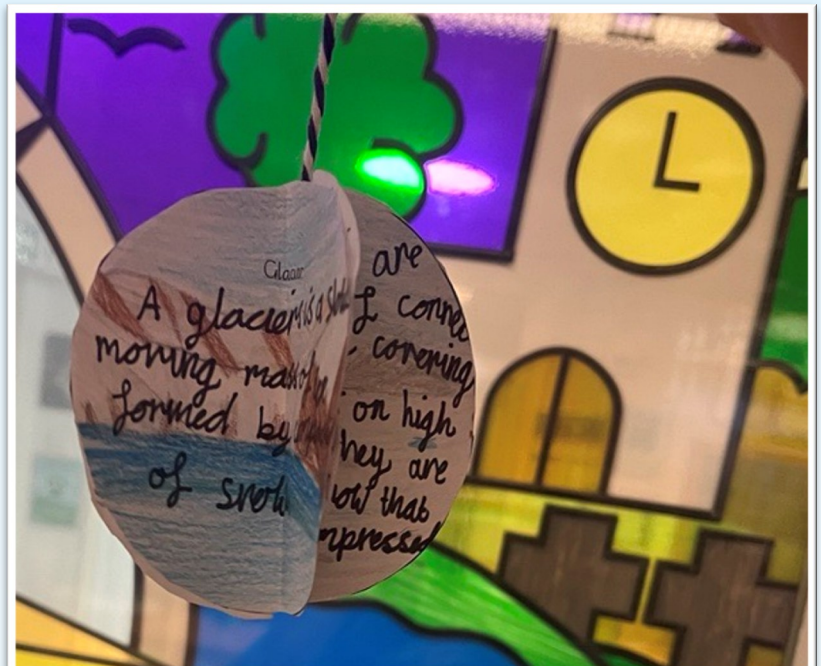

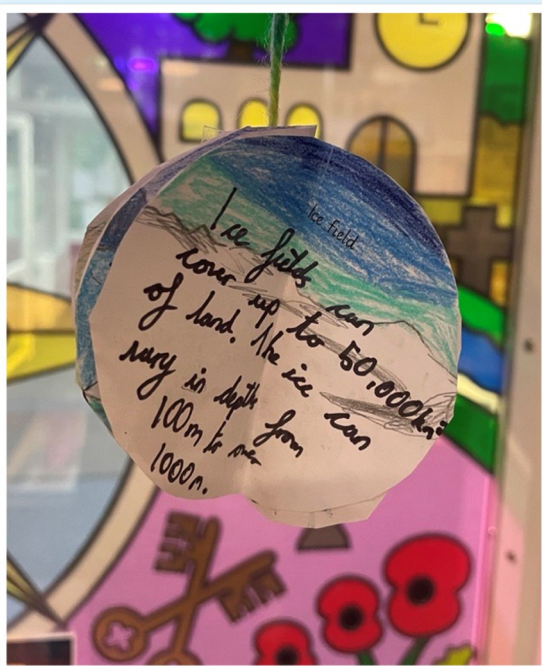

English

Our 'hook' lesson in English, mystery boxes

This term, as part of our Frozen Kingdoms topic, Year 5 and 6 have been showing off their learning on polar landscapes in the form of a knowledge sphere! We explored glaciers, icebergs, boreal forests, tundra, mountains and ice fields.

Swimming

We are incredibly proud of Freddie's efforts in swimming! He has now passed his Stage 5 and is a complete natural in the water.
Keep it going son xx

Rugby

On a very wet and muddy Sunday, Neo still got stuck in at rugby and was rewarded with the player of the week trophy! We're proud of him for persevering in the soggy weather!

Dance

Over half term, Peyton and two other girls at her dance academy competed as a trio in the Robin Hood dance Festival. The trio won gold medals for their dance

and also a gold trophy for best in their age category. We are so proud of Peyton and her trio, they performed like superstars and had great comments from the judges.
