**Striving for Life in all its fullness John 10:10**

### Farewell to our Year 6 children -

The Year 6 cohort about to leave St Peter's was the cohort welcomed in as Reception children in my first year as Headteacher at St Peter's. It has been a privilege to watch you learn and grow and now move onto secondary school.

Our Year 6 have come to the end of their St Peter's journey. Next steps are always exciting, scary and unknown. I genuinely believe you are ready to take those next steps to secondary school.

The best advice I can offer is:

BE brave,

BE the best you can BE,

BE kind,

BE yourself

but most of all

TAKE CARE of yourself and others.

# BE YOURSELF!

Take Care of  
yourself & others!

*\*BE stands for Beyond Expectation, in other words BE better than people expect you to BE, for yourself and for those who love and care for you.*

Always remember, once a St Peter's boy or girl and family always a St Peter's boy or girl and family.

Goodbye to those parents whose St Peter's journey has also come to an end. Thank you for your ongoing support throughout the many years you have been with us.

### 'Together We Achieved'

Thank you.

### Potted Sports

Thank you to our volunteer parents for your help on Potted Sports Day this week. Potted Sports would not have gone ahead without your backing - thank you. I hope you enjoyed seeing all the children have fun

### Race for Life 2023

Yesterday, we held our annual Race for Life event. It was tremendous to see so many turn out to run and support this incredible event.

### St Peter's Team -Togetherness

A huge thank you to you **ALL** for yet another year of excitement, challenges, opportunities, laughter, stepping-up, supporting each other, challenging ourselves, but most of all 'Togetherness' - this is what makes St Peter's such a great place to BE and work.

We strive to offer life in all its fullness for the children at St Peter's.

Have a super summer.

Be safe, have fun, make memories and we will see you back on

Wednesday 4th September.

Mr Tomlinson and all the staff

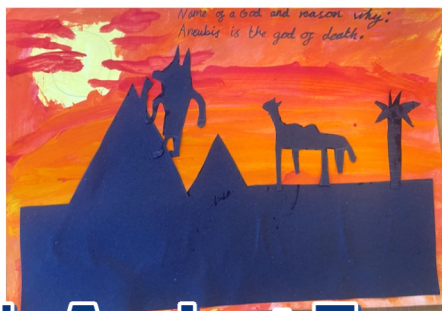

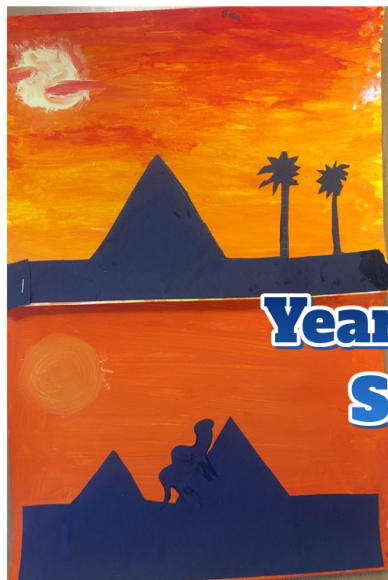

# What a Great Show!

## Year 3's Ancient Egyptian Silhouette Paintings

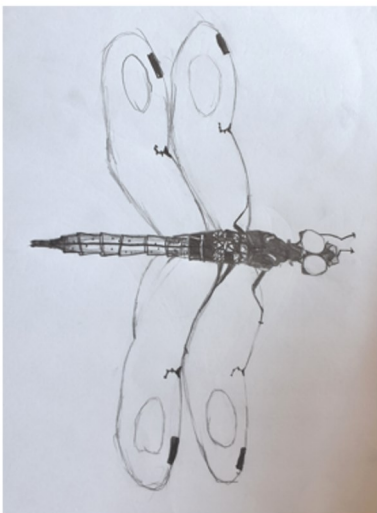

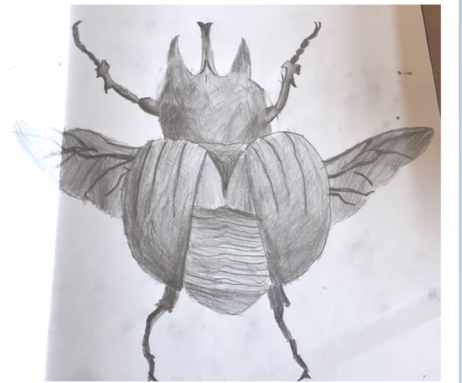

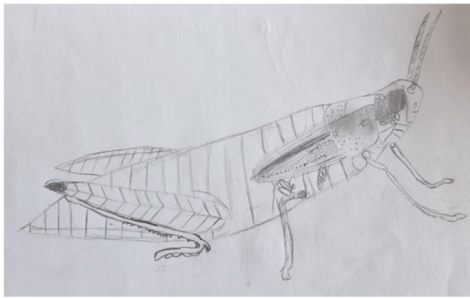

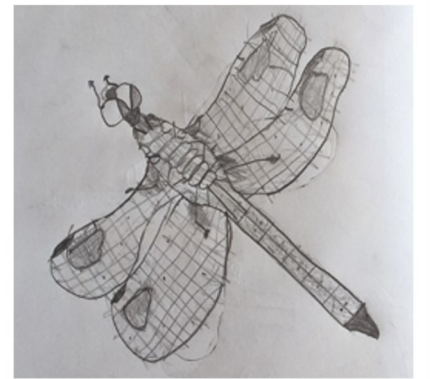

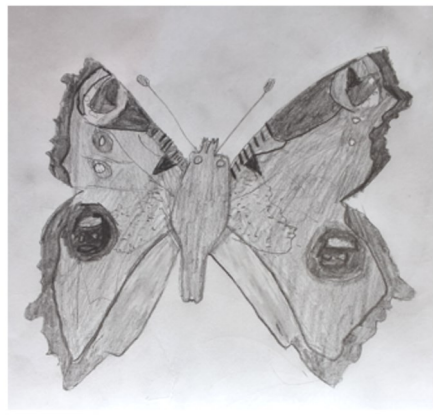

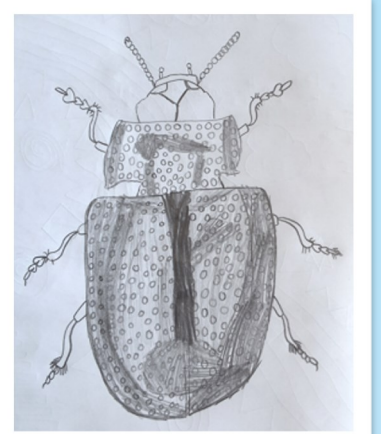

## Statues and Figures Art lesson- sketching each other and making tin foiled sculptures.

Year 5 have been using line, tone and shape to sketch observational drawing of beetles, bees and butterflies.

# Year 2 bowling season.

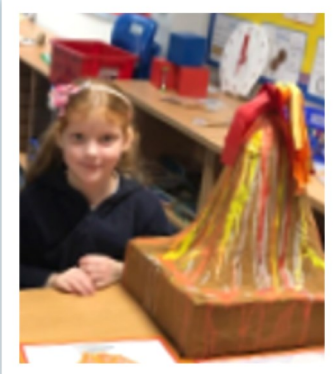

# Things End but Memories Last Forever!

## Goodbye and Good Luck Miss Evans!

# Things End but Memories Last Forever! Goodbye and Good Luck Year 6!

## East Bridgford Dads F.C.

## Representing St.Peter's Academy

Saturday night was a huge success, we had over 5 teams enter and approx. 50 to 60 people attend the event to show their support. We have so far managed to raise £220 which I'll be transferring to the just giving page later today. Egg and Chips went on to win the tournament beating East Bridgford Dynamo's in the final! Huge shout out to Mark and the team at the Royal Oak, they donated free chip butties for all the players taking part and also offered a meal for 2 in the raffle we ran. Egg and Chips donated £70 in fun darts fines during the evening so huge thanks to them. Ant donated 6 tickets for Leicester Tigers as well as few other guys offering some raffle donations. I will definitely be looking to run this again based on the success we had.

## Football

★ Congratulations to Mason, Lucas, Jacob, Oliver, Samuel, Alfie and Olly on their fantastic first season playing for Lowdham Colts Blues. They all enjoyed a great end of season awards day on Sunday!

★ Isla in year 2 passed her stage 5 swimming last week. We are so proud of her and how hard she works every week!

## Dance

★ 'Isla has successfully gained a place on the 'Centre For Advance Training in Contemporary Dance' program. Joining a small number of other students identified as exceptionally talented dancers. Her hard work and dedication has led to this huge achievement. We are so very proud'

Maya has just attended her final Brownies meeting before moving up to guides in the new school year. She's worked extremely hard outside of Brownies and gained lots of badges and achieved the gold award in her final night, as well as being recognised as top brownie for the summer term. We're very proud of Maya and excited to see her flourish at guides. Well done Maya x

Lani passed her next grading belt for kick boxing and is now a proud owner of her orange belt! Go Lani 🥋 🥋

Seth is so happy he got his 20metres at swimming

Olly got Lowdham Under 7s Managers player of the year award after being a great team player

**Football**

**Football**

giving his all, listening and learning from his coaches and encouraging his team mates.

Oscar played his first pre-season friendly for Lowdham under 9s away at Burton Joyce, he scored a great goal and got 2 assists and was awarded man of the match.

**Inspired**

Isaac and Jacob were excited and super proud of themselves at the weekend and they were inspired by things they have heard at school so I thought I would share.

Isaac was talking to us about the environment and pollution all last week and he asked if we could get a litter picker. We thought it was a great idea, it arrived on Saturday and we've already done two rounds of the village! The boys even got their Aunty Amy involved. Great to hear about the responsible things they are learning about at school, they were really enthused to go walking and do it!

Despite the downpouring of rain Erin demonstrated courage and skill against the boys in the last match of the season for Radcliffe Eagles U10 girls and won player of the match!! Only her second ever match- well done Erin!!!

**Singing**

Maple wowed us with her confidence and beautiful singing when she sang to all of her friends at her Moana birthday party. Well done Maple, you're a super star!
