Road Safety outside school

As you are aware, school traffic on Kneeton Road can be a rather busy place in the mornings and at home time. I would like to say a huge thank you to those motorists and pedestrians who take care, consider where they park (if driving is the only option) and make outside school as safe as possible.

Over time and more recently, we have had reported to school a handful of concerns regarding motorists: Parking/dropping off on yellow zig-zag lines, parking on pavements, not allowing the school bus through resulting in children being late into school or late to leave at the end of the day, even cars being scraped/damaged.

Our major concern is for the safety of the children!

The responsibility of safety to and from school remains with the parent/adult, not school.

As a school we can only request you are considerate, be take care, as children do what they see.

It is to this end, I have (again) requested Notts Council Council Traffic Enforcement team to come and observe the situation on Kneeton Road.

We welcome ideas and solutions from our local community to work together in the interest of safety for all. Previous ideas and solutions have been: park on my drive and walk offers, adjusting work patterns so parents can walk their child to school, car sharing, park further away and walk to school.

Thank you for your understanding, consideration and cooperation.

Mr Tomlinson & on behalf of the St Peter's staff team.

Message from Mr Tomlinson

Traffic Poster design challenge from the Headteacher:

I challenge the children (and adults) to create an A4 poster that can be laminated and displayed outside of school.

Deadline for entries: Monday 23rd October or earlier

This week year 4, 5 and 6 had a one hour workshop about how to have a healthier sleep routine. This helped them explore how much sleep children need, the importance of sleep and a healthy sleep routine, sleep hygiene tips, how worry impacts on sleep and the use of a sleep diary. The workshop will give strategies to help the child. There is a further video for parents which can be found here: https://youtu.be/lcbj_qPO6Tw

What do you feel grateful for this week?

THE HEALTH SHOP

Hi, I am a former parent of the school. My service works with some of the

most marginalised people in Nottingham city and Mr Tomlinson has kindly agreed to support my service again with some of the donations from the Harvest Festival collection. Many of my service users are homeless and struggle to access basic needs such as hot water. I would be really grateful of donations of any of the following items;

Tinned custard, tinned rice pudding, baked beans, tinned meals, pot noodles, dried pasta meals (or anything similar that can be heated using boiled water, tinned fish, tins of fruit, packets of biscuits, cakes, tea, instant coffee, sugar, hot chocolate (that just needs boiled water), UHT milk, cereal bars, porridge pots, jam, chocolate spread. Tin openers are always gratefully received!

Many thanks for your donations and kindness.

Please bring in from Monday 23rd October

Ethan had his end of season cricket awards last week and was presented with a trophy by the Mayor of Rushcliffe for his commitment to his team and encouragement of others. He loves playing cricket for East Bridgford and we are proud of what he has achieved.

Vinnie had a cracking weekend of football. He got POTM for both his Saturday and Sunday team. He is very proud of his 2 trophies! Well done Vinnie.

I wanted to share with you Olly played a superb match on Saturday for Lowdham Colts Under 7s Blues where he played in defence covering and reading the game really impressively. He was voted Man of the Match by his Coaches.

Emilie and Anna (year 5) were two of the children awarded trophies by the Rushcliffe Mayor, Mrs. Debbie Mason, and their coach Robin Baxter Simms, for their participation in the summer activities of the Junior East Bridgford Cricket Club.
