## THE HEALTH SHOP

Hi, I am a former parent of the school. My service works with some

of the most marginalised people in Nottingham city and Mr Tomlinson has kindly agreed to support my service again with some of the donations from the Harvest Festival collection. Many of my service users are homeless and struggle to access basic needs such as hot water. I would be really grateful of donations of any of the following items;

Tinned custard, tinned rice pudding, baked beans, tinned meals, pot noodles, dried pasta meals (or anything similar that can be heated using boiled water, tinned fish, tins of fruit, packets of biscuits, cakes, tea, instant coffee, sugar, hot chocolate (that just needs boiled water), UHT milk, cereal bars, porridge pots, jam, chocolate spread. Tin openers are always gratefully received!

Many thanks for your donations and kindness.

**Please bring in from Monday 23rd October - NEXT WEEK!**

Navratri is one of the most important festivals in the Hindu calendar. It's celebrated all over the world, typically falling between September and October during the month of Ashvin, and lasts for nine days. Nav means nine and Ratri means nights. People come together during Navratri to celebrate Durga, the mother goddess who carries lots of weapons in her arms. Durga is best known for killing an evil demon in a battle which lasted nine days and nights and that is why the festival lasts for nine days and nights as well! Each day is represented by a different colour which symbolises one of her distinct characteristics or traits. Many Hindus wear a different coloured traditional outfit each day to reflect this. The festival ends with what's known as Dussehra, which is the celebration of good over evil.

The goddess Durga was given weapons to take on the demon, Mahishasura
